Parelli New Zealand

As the first country in the world to welcome 2007, we thought we should be listed first for a change! Savvy Kiwis will be drinking to a new dawn for Parelli as we celebrate our first year in the Antipodes and look forward to sharing many more with our friends, partners and colleagues in the global Parelli community. Keep it natural!

Parelli UK

As the bells of Big Ben ring in the New Year, we would like to send a big THANK YOU to all of you who have supported, embraced and welcomed us in our first year in the UK. It has been an incredible journey and an invigorating ride. We have been thrilled by the enthusiasm we have received from British horse lovers, and we would also like to thank all those who have been part of our rebirth here. Thank you (you all know who you are!) and let's raise our glasses to a 2007 filled with Love, Language and Leadership. Join Two Hearts, Two Minds, One Vision at the NEC in August. Where will YOU be?

New Product Releases!

On the December Savvy Club DVD, during Linda's segment on Collection Naturally, she demonstrates with and talks about the new equipment for Level 3, and the study of Finesse and flexion. If you were at the Savvy Conference you would have seen it then, too. Look for her upcoming article in the January Savvy Times, "Collection, Naturally."

The Confidence Snaffle

Designed to teach horses to have more confidence in Zone 1, to stretch into the bit. It has a smooth, even feel to the mouthpiece and an oval joint in the middle instead of a single joint. It is specifically designed for riding with two reins.

Retail: \$39.00 USD, **Savvy Club:** \$29.00 USD

The Finesse Reins

Super snap-on reins made of the same high quality yachting braid as our ground skill lines and Horseman's Reins. The Finesse Reins are designed especially for a steadier feel and the material is perfect for the new 'Fluid Rein' technique.

Retail: \$56.00 USD, **Savvy Club:** \$42.00 USD

**Note: Chin strap available too, and is used to prevent bit from sliding through the horse's mouth.*

NEW 22-foot SNAP-LINE!

Now you can get a 22-foot Line with the same snap featured on our 12-foot Line! It is the perfect tool for Level 2 skills. Use two to create open-ended long reins (as taught in the Liberty & Horse Behavior Course), and use any time for a horse that needs more drift.

Retail: \$66.70 USD, **Savvy Club:** \$50.03 USD

Parelli Australia

As the clocks tick away the year, they are also bringing Pat & Linda and their top horses ever closer to our shores. Team Australia is so excited to be hosting such a momentous event and the Tour Team have told us that we'd better have two pairs of Holeproofs...they've promised to blow our socks off! We would like to thank all the Parelli enthusiasts, supporters, instructors and students who have made our first year of operation in Australia such a joyous one. Here's a toast to Pure Parelli, worldwide, in a global revolution in horsemanship. As we say Down Under—Bring it On!!

January Savvy Times

Coming up in the January issue of Savvy Times magazine, Savvy Club members can learn more about the UK branch office and the staff members there.

"The new Parelli UK office opened on the 18th September at Brabourne House, Pilgrim's Way (how appropriate!) on the outskirts of a tiny, traditional English village called Hastingleigh, about six miles from Ashford in the heart of the rolling green pastures of the North Downs in Kent. The whispers and rumours, as well as a front-page picture of Pat and Linda on one of the UK's many equestrian magazines, ensured that the phone rang non-stop!"
